

JFM Mission Prayer Points – February 2018

JFM Mission - Vision:

The main vision of Jesus Family Ministry is to help the poor pastors. We firmly believe that our Lord has given us churches in USA to support the village pastors and missionaries in the field.

When our Pr. Oswin visited some of the pastors, the churches (made of thatched huts and asbestos sheets) and the plights of God's servant in such remote villages, he was moved by compassion. He prayed and cried out to God and took this as a burden that God is putting in his heart to support them in all the ways we can.
